At Workop – UK

## HYGIENE GROUP's MEETING 12

### AGENDA (A)

14h00 – only if necessary: short review on the GGHP: working plan for the next weeks and months

14h15 – Review of the topics given by the Council to the hygiene group (Council meeting of June 2016 at Freising): *for each topic, state of progress within FACE and road map for the next months*

- As priority topic: “**Nutritional labelling**”, linked to the notions of small quantities and local selling (Remedios)

- As topic for which a position paper has to be made: “**Animal by-products**” (Marc AS)

- As important topics:

- “**STEC**” (Paul T ; Marc AS)
- “**Labelling of origin**” (Mirek)

15h15 – Work on the Erasmus Plus Project (Yolande)

- discussion/validation on a draft content
- working plan – schedule for the next months

16h00 – Common meeting Hygiene Group / Technical Group

- discussions about possible synergies between the 2 groups

17h00 – End of the meeting
